

FAILING to Make the Grade
for North Carolina Schools

As state representative, John Rhodes has **OPPOSED** his own party and **FAILED** to pass needed legislation to make needed improvements to our schools.

Voted AGAINST needed funding for our regional public schools.¹

Voted AGAINST a plan to remove disruptive students from the classroom and place them in alternative programs.²

Voted AGAINST giving local school boards the authority to protect students against the dangers of tobacco use.³

Voted AGAINST improved statewide nutritional standards for school meals and after-school snacks.⁴

1. HB 1414, 04. 2. HB 1457, 04; HB 1460, 04. 3. SB 583, 03. 4. HB 855, 05.

“John Rhodes
has not helped us
address school
issues. He has only
produced road
blocks that have
hampered efforts
to get schools
built in North
Mecklenburg.”

Republican **Thom Tillis**

The **RIGHT CHOICE** for Better Schools

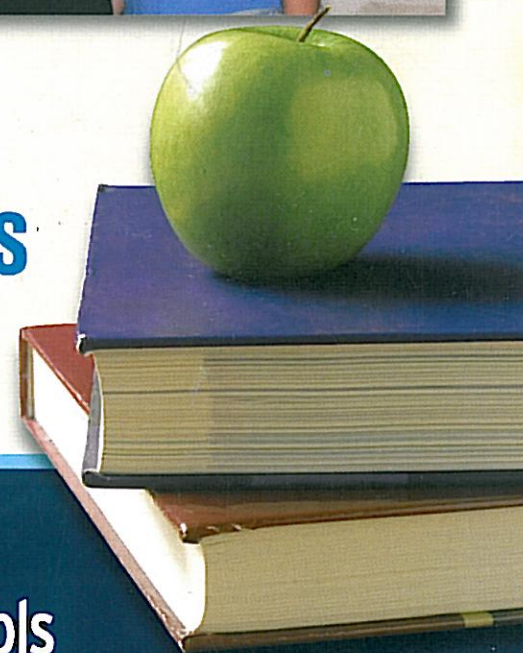

As a father of two, founder of Hopewell High School Project Hope, and president of their PSTA, Thom Tillis is dedicated to making positive changes in our schools. As our strong advocate for education, we can count on Thom Tillis to work with local communities and his legislative colleagues, helping our children to get the education you expect and they deserve.

Thom Tillis supports:

- A+** Making education a priority by **securing needed funding** for Mecklenburg schools.
- A+** Improving **student-to-teacher ratios**, guaranteeing all students get needed attention.
- A+** Raising **academic standards**, improving lagging test scores and graduation rates.
- A+** Working with community leaders, school boards, and parents to **address regional needs**.
- A+** Improving **safety and discipline** in schools so teachers can focus on teaching.
