

With the 2016 elections less than a year away and the primaries even closer, YOUR state party is already building our voter networks in all 100 counties. We will fight harder than ever to win the support of every North Carolinian that agrees that the federal government needs to get out of the way so we can grow our economy and the state of North Carolina needs to continue electing leaders focused on protecting taxpayers like you.

We must not fall into the trap of assuming that the 2016 campaign will be as successful for Republicans as 2014 was. The noise and magnitude of the Presidential race and its coattails will have an impact on our entire ballot and we cannot leave any openings for the Democrats.

Glen, NO OTHER GROUP helps North Carolina Republicans up and down the ballot with the door-to-door groundwork to build on our success and expand our pro-taxpayer reforms more than your North Carolina Republican Party.

But, standing in our way is the most well funded presidential machine in history.

Hillary Clinton will have BILLIONS of dollars at her disposal, and that doesn't begin to count the truckloads of money that the special interests and Big Labor will pour into North Carolina to elect her Big Government liberal allies.

Your early *2016 Presidential Election Year Membership Renewal* of \$185, \$370 or even \$555 to the **North Carolina Republican Party** will help us counter their attacks and elect Republicans who will fight for taxpayers, not narrow special interests.

*You can't vote yet...but you CAN make an immediate impact on the 2016 elections today by standing up for your beliefs and North Carolina's future with your early 2016 renewal gift to the **North Carolina Republican Party**.*

Thank you in advance for your continued support. I wish you and yours a peaceful and happy Holiday Season and a prosperous New Year.

Sincerely,

Hasan Harnett
North Carolina Republican Party

P.S. Glen, with less than a year until the titanic 2016 elections, we are counting on your *2016 Presidential Election Year Membership Renewal* of \$185, \$370 or even \$555 to **YOUR North Carolina Republican Party** to keep a Republican in the Governor's office, protect our U.S. Senate seat from becoming a rubberstamp for the liberal big-spending agenda, and do our part in ensuring that Hillary Clinton doesn't waltz her way into an Obama "third term." *Only your State Party helps all of our Republican candidates and we can only help because of the generosity of loyal members like you.* Thank you for all you do. – Hasan
