Re: North Carolina Judicial Coalition

Dear Mr. Patton,

This firm represents the North Carolina Judicial Coalition ("NCJC") and they have asked me to write to you to give you an update on the status of the NCJC's response to your inquiries regarding a April 2013 payment made by the NCJC to Innovative Advertising.

Please understand that we are trying to get supporting documentation from Innovative Advertising, a process that has gone on for several months. We think we know the basis for the payment but cannot be certain until we receive some of the records from them.

Innovative Advertising has said that the records are "in storage" and basically told us that because of the coming November 4 election they cannot get to them until the election has passed. I am sure you understand the nature of pre-election workload. Please be assured that we will continue to push for the records and will supply the staff of the State Board of Elections with the proper documentation as soon as we can get it. If we are unable to get the records we will do our best to reconstruct the record regarding the payment as best we can.

If you have any questions or wish to discuss this matter, please let me know.

Very truly yours,

Roger W. Knight
