have just gotten worse.

“If you want a fight,” he said, “you’ve got one. We don’t have to fight. I get no joy fighting in my hometown... but, the Barber family doesn’t know how to quit.”

Instead of trying to force her out, you could use her to inspire your students on how to overcome obstacles.

“As long as I’ve life in my body... I’m sure going to fight for [my mother.]
