Good Evening,

UOCAVA

If you have a valid request for a UOCAVA ballot, do not forget to transmit the ballot tomorrow. If you wait until Monday, you will be in violation of federal law. I must submit a report of untimely UOCAVA transmittals to the US Department of Justice. Don't be late, please.

CIVILIAN

Please find the updated civilian absentee materials attached. These attachments include the updated absentee instructions and a flyer that we would like for you to include with the balloting material. You should customize the instructions with your county information and the postage amount that a voter needs to return their voted ballot.

In addition, an edit is needed for the container-return envelope. For this purpose, we would like for you to affix a label to the **Voter Assistant Certification** section.
