Dear Dr. Murphy:

On behalf of our over five million members across the country, the National Rifle Association Political Victory Fund (NRA-PVF) is proud to endorse your candidacy for the U.S. House of Representatives in the July 9, 2019, Republican primary runoff in the 3rd Congressional District of North Carolina.

Based on your consistent and proven voting record on Second Amendment issues in the North Carolina General Assembly, you have earned an "A" rating from NRA-PVF for this primary runoff election. An "A" rating is reserved for a solidly pro-gun legislator who has supported NRA positions on key votes and issues.

NRA members and gun owners appreciate that during your time in the General Assembly, you voted for "Constitutional Carry" legislation, which would allow law-abiding citizens to carry a concealed handgun in North Carolina. We also appreciate your support for Right-to-Carry reciprocity legislation, which would ensure that the nearly 20 million law-abiding Americans who can carry a concealed firearm in their home state are able to do so in any other state that does not prohibit concealed carry.

In addition, you have shown your commitment to North Carolina's hunting heritage by voting for an amendment to the North Carolina Constitution that affirms the right of the public to hunt, fish and harvest wildlife, as well as voting to expand hunting opportunities in North Carolina.

Finally, we thank you for opposing the Nancy Pelosi, Chuck Schumer, and Michael Bloomberg agenda of banning guns, ammunition, magazines, and creating a so-called "universal" background check system that would criminalize the private transfer of firearms, which is only enforceable through federal firearms registration.

Congratulations on your "A" rating and endorsement, and thank you for your steadfast support of the Second Amendment. Good luck with your campaign, and we look forward to our continued relationship.

Sincerely,

Chris W. Cox
Chairman, NRA-PVF
